

# Interface

interface basée sur les technologies web (angular, REST)

The screenshot displays the Armadito Antivirus web interface. At the top, the status is "Votre ordinateur est protégé" (Your computer is protected) with a green checkmark. Navigation links include "Paramètres" (Settings) and "Statistiques" (Statistics). The left sidebar has three main sections: "GÉNÉRAL" (General), "ANALYSE" (Analysis), and "JOURNAL" (Journal). The main content area shows a monitor icon with a checkmark, indicating protection is active. Below this, there are settings for "Analyse temps réel" (Real-time analysis), "Service d'analyse" (Analysis service), and "Mise à jour des bases" (Database updates), all with green checkmarks. The "Mise à jour des bases" section shows the last update date and time: "29 Jun 2016 08:02:56". A table below lists the update modules:

Module	Date	Statut
moduleH1	01 Sep 2014 09:30:00	à jour
clamav	29 Jun 2016 08:02:56	à jour

# Interface

A screenshot of the Armadito Antivirus user interface. At the top left, the Armadito logo and "antivirus" text are displayed. A green checkmark icon is followed by the text "Votre ordinateur est protégé". To the right, there are links for "Paramètres" (Settings) and "Statistiques" (Statistics). The main area shows a scan in progress for a file named "/home/fdechelle/Bureau/M...C2733253896433EB21A.jar". The scan is 64% complete, indicated by a progress bar. The interface is divided into three columns: "Analysés" (484), "Malveillants" (175), and "Suspects" (0). Below the progress bar, there are two sections: "Menaces" and "Fichiers". The "Fichiers" section shows a list of detected threats, all identified as "Eicar-Test-Signat..." with their respective file paths.
